F-Gas Handling

in Mobile AC Systems Certification

Do you work in the Motor Vehicle industry handling mobile air conditioning systems?

Are you aware you need to be certified under European Commission (EC) regulations to work with F-gases?

Our Further Education and Training Centre, Shannon Campus, is currently taking applications for a **F-Gas Handling Mobile Air Conditioning Systems** certification course (QQI Level 5 Special Award)

Course Aims

The aim of this course is to equip those working in motor vehicle industry handling F-gases with the knowledge, skills and certification to prevent leakage of greenhouse gases (F-gases) from air conditioning systems used in motor vehicles, in accordance with European Commission regulations.

Key Benefits

- ▶ Full certification
- ▶ This course takes place at our FET Centre, Shannon Campus
- ▶ Complies with EC regulations for those working with F-gases
- ▶ Small class sizes

Course Fee:

€200

Location:

Further Education and Training Centre
Shannon Campus
Shannon Industrial Estate, Co Clare
V14 CR63
